**Agency Decision**

**Project: Mental Health Diversion Facility**

**Date of Notice: February 13, 2018**

**Time of Notice: 12:00 P.M. [EST]**

**NOTICE OF CHANGE TO THE PROCUREMENT PROCESS FOR PHASE II OF THE MENTAL HEALTH DIVERSION FACILITY PROJECT**

Pursuant to Section 31., Rights of SFBHN, of the Request for Qualification for Construction Services – Mental Health Diversion Facility, released on December 18, 2017, South Florida Behavioral Health Network (SFBHN) is exercising its right to change the method of procurement for Phase II from the proposed Request for Proposals to an Alternative Contract Sources (ASC) method of procurement, which is in accordance with SFBHN Policies and Procedures.

ASC Bid Process:

1. SFBHN states its intent to proceed with an ASC bid process and will request additional information from the three (3) pre-qualified general contractors;
2. The responses will be provided to the Project Review Committee for review;
3. Following the review of the responses, all three pre-qualified general contractors will be invited to an interview with the Project Review Committee;
4. Based on the responses provided by the pre-qualified general contractors during the Request for Qualification phase (Phase I), the responses to the ASC bid and the interviews, the Project Review Committee will recommend two (2) competitors who will enter into negotiations with SFBHN for a final contract award.
5. Upon completion of those negotiations, SFBHN will grant the award to one (1) general contractor.
